

I am very concerned about the possibility of losing national radio stations such as K-LOVE. K-LOVE has been a wonderful influence in my life and I would be very disappointed to lose such a station. I do not believe there are any other Christian music radio stations in my area that play the same type of music that I can hear on K-LOVE. It is so wonderful to be able to turn on the radio in front of my nephew and not have to worry about the content of the music or the topics of discussion. I believe that there is such an awesome ministry provided by the nationwide broadcast, and it is comforting to know that I can listen to my favorite radio station nearly anywhere in the country.
